## Notes:

**Questions of Privilege** are used to get the attention of the chair regarding a matter of business or procedure that cannot wait. They refer to the organisation of the meeting, the comfort of delegates and the conduct of delegates or others present.

As we don't have "Request for Information" (formerly "Point of Information") or "Parliamentary Inquiry" we use the "Point of Order" instead. All can interrupt to current speaker.

**Points of Order** may be raised if the rules appear to have been broken. Must be raised at the time or else it is too late

**Request for Information** requests information relevant to the business at hand

**Parliamentary Inquiry** enables members to obtain the chair's guidance so they can take the appropriate action
